What a great way to reward your staff! Our 2022 Pathways to Success Conference features nationally recognized facilitator and Diversity, Equity and Inclusion thought leader, Jen White, As our Keynote Speaker. Jen leads Sales and Leadership Consulting for Global Dealer Learning at Caterpillar. She has served as human performance consultant for more than 25 years - coaching many of the brightest leaders in Central Illinois. She is a certified Gallup Strengths Coach, has an SPHR certification. Jen specializes in “info-tainment” - when she speaks, people listen, laugh and learn! Join us as she shares her story and warmly invites each of us to consider our own.

Our breakout sessions are designed to cultivate ideas, discuss challenges and find solutions. In addition, the conference will start with an Early Bird Networking Session.

Approximately four weeks prior to the conference, you will receive a code to register and make lunch choices for each attendee.
